International Harvester Manure Spreaders

The IHC Line GRAIN AND HAY MACHINES: Reapers, Harvesters, Binders, Mowers, Rakes, Stalkers, Hay Loaders, Hay Presses, CORN MACHINES: Planters, Pickers, Binders, Cultivators, Earlage Cutters, Shellers, Shredders, TILLAGE: Plow, Spring-Teeth, and Disk Harrows, Cultivators, GENERAL LINE: Oil and Gas Engines, Oil Tractors, Manure Spreaders, Cream Separators, Farm Wagons, Motor Trucks, Tractors, Grain Drills, Feed Grinders, Knife Grinders, Binder Twine.

INTERNATIONAL Harvester manure spreaders have a score of good features in their construction. Each one is the result of careful field experiment. An IHC spreader is low enough for easy loading, yet it has plenty of clearance underneath. The rear axle is well under the load, rear wheels have wide rims and Z-shaped lugs, insuring good traction under all conditions. Frame, wheels, and all driving parts are of steel. Apron tension is adjusted by a simple device. Winding of the beater is prevented by large diameter, and beater teeth are strong, square and chisel-pointed. International manure spreaders are built in several styles and sizes, low or high, endless or return apron, for small farms or large. Examination will show sturdiness of construction in every detail. Repairs, if ever needed, may always be had of the local dealer. Examine International spreaders at the dealer's. We will tell you who sells them, and we will send you interesting catalogues.

HERE AND THERE.
Almost township is voting on the bonding for \$80,000 for good roads.
Dr. H. H. Merriman, of Grayling, is the newly practicing physician at Imlay City.
The editor of the Peck Times, Thos. Graham, is the new president of the village.
The Brown City school board has purchased five acres of land to be used as an Athletic field.
The St. Clair County Press discovered eleven St. Clair residents whose birthday was on St. Patrick's day.
Almost's "Come back Home" days are set for the moonlight nights and sunny days of August 6, 7, 8 and 9.
John H. Brewer, has been nominated as the new postmaster at Imlay City. It is expected his nomination will be confirmed.
Tomorrow, March 27, is Mothers Day in the Almost schools. The physical training of a child will be the subject for discussion.
Coleman had a big fire last week early Tuesday morning. Eight firms suffered severe losses but the majority were covered by insurance.
Pete Thomas, the Algonquin Indian who froze his legs by lying on the ice of St. Clair river all night recently, died in Sarnia hospital Saturday.
E. E. Irwin, for the past five years superintendent of the Imlay City schools, now goes to Lapeer. George Combs, for two years at Brown City, will go to Imlay City.
Father C. J. Koenig, who has been pastor of St. Mary's church in New Baltimore for the past 18 years, has been declared elected president of that village by one vote.
The Sanilac Stock Farm near Sandusky, which consists of 2750 acres, will dispose of 1000 of its acres and with the proceeds, will purchase pedigree horses, cattle and hogs. One thousand seven hundred and fifty acres is quite a good sized farm.
Hawkins Moore is one of the original members of Croswell lodge I. O. O. F., and was 76 years old on the day of the lodge meeting last week. A surprise good time was given him and a meerschaum pipe presented him by Chas. Jackson in behalf of the lodge pleased him.
The old fair ground buildings at Romeo, consisting of floral hall, grand stand, sheds, stalls, etc., are all to be torn down, the lumber sold, the land divided, streets laid out and houses built. There will be a small boom on at Romeo this season.
The story going the rounds of the Press in regard to Ray Spurling being ill and going just as his brothers died, is pronounced all bosh by Ray's employer G. W. Southgate, of Port Huron, who says the boy is not sick and that he has been working steadily for him for 10 weeks.
The Democrats of Sanilac county have organized a Thomas Jefferson club with F. J. Erwin of Marlette president. Another club was organized at Croswell last week by the same party to be known as Old Hickory club. Fred R. Marvin is the president of the last named.
The plant of the Standard Condensed Milk Co. at Deford was totally destroyed by fire last week Tuesday. It is thought the fire was of incendiary origin. The plant was valued at about \$10,000, but has never been in actual operation as a milk condenser. The affairs of the stock company were in bankruptcy court for settlement. There had been dissatisfaction and turmoil among the stock holders.

Through the Furnace to the Farm
The moving picture entertainment given at Princess Theatre in Yale last Friday, March 20th, was a decided success and drew the largest crowd to the theatre ever gathered there. Jas. Cogley Sons, the firm that had charge of the entertainment is more than pleased with the way the farmers turned out and the interest shown in the illustrations showing in the five thousand feet of film. The manufacture of steel, especially the barbed wire and woven wire fence used on the farm was very interesting indeed. The American Steel & Wire Company is entitled to much credit for getting up these films and our local dealer also for making arrangements with the above company to have them shown here.

STOMACH HEALTH—OR NO COST TO YOU
Very likely those have advised you to use Rexall's Dyspepsia Tablets, because scores of people in this community believe them to be the best remedy ever made for Dyspepsia and Indigestion. That is what we think, too, because we know what they have done for others and what they are made of. We have so much faith in them that we urge you to try them at our risk. If they don't help you, they won't cost you a cent. If they don't do all that you want them to do—if they don't restore your stomach to health and make your digestion easy—just tell us and we will give back your money without a word or question.
Containing Pepsin and Bismuth, two of the greatest digestive aids known to medical science, they soothe the inflamed stomach lining, help in the secretion of gastric juice, check heartburn and distress, promote regular bowel action, and make it possible for you to eat whatever you like whenever you like, with the comforting assurance that there will be no bad after effects. We believe them to be the best remedy made for dyspepsia and indigestion. Sold only at the more than 7,000 Rexall Stores, and in this town only at our store. Three sizes, 25c, 50c and \$1.00.—Grant Holden.

Makes Healthy Bowels

THIS simple rule of health is daily called attention to by every doctor in the land, whose first question to the patient almost invariably is, "Are your bowels regular?" Yet there's not one person in fifty who takes proper care of the bowels. And the result of this foolish neglect is nine-tenths of all ill-health. If today you are unable to free your body of waste matter at the usual time, or if the act causes straining, pains and discomfort, don't let that condition occur again tomorrow. Unless your bowels can carry away the waste materials left after food is digested, decay sets in, the poisons of which, taken up by the blood, increase the risk of Typhoid Fever, Appendicitis, and many other serious diseases. In treating constipation, there is a right way and a wrong way. The wrong way is to take harsh purgatives which even though they do clear the bowels, cause griping and nausea, injure the delicate tissues, and so disturb the normal functions as to cause the return of constipation. The right way is to help Nature to produce natural movement, without pain or discomfort, by using

Rexall Orderlies

More Than One Hundred Million Were Sold Last Year
This enormous quantity was used with good results by busy men who suffered from constipation, due to lack of exercise, or indigestion caused by overwork—by children whose parents realize the harmful effect of common purgatives—by old people whose systems cannot stand anything harsh—by women during pregnancy, and after childbirth, when any medicine with a violent action would be particularly dangerous. Many of these people are your neighbors and friends. Ask anyone who has ever used them—they'll tell you Rexall Orderlies satisfied and helped them.

—a gentle laxative in the form of a chocolate-tasting tablet. One of these tablets eaten just before going to bed will help to restore your bowels to normal activity at a time when, your body being at rest, the medicine can do its best work. As a result of taking that tablet (or say two, if your case is obstinate), your bowels will move easily and naturally in the morning. The use of Rexall Orderlies for a few days afterward will restore normal regularity. Even chronic constipation is benefited by them, and it is not necessary to continue the treatment for a long time, because, instead of driving Nature, they simply help her to help herself.

This Is Our Guarantee—You Risk No Money
If Rexall Orderlies do not make your bowels act right, tell us so and we'll give back your money without asking a single question. There is no red tape to this guarantee. It means just what it says. You sign nothing. We won't hesitate, or ask you any questions. Your word is enough. If Rexall Orderlies do not do all you expect them to—if you don't feel better after using them and find that they are the pleasantest-acting and best laxative you have ever used, we want you to tell us and get your money back.

Sold only at the more than 7,000 Rexall Stores and in this town only by us. Invest pocket tin boxes, 10c, 25c, 50c.

ARISTOS FLOUR

This Trade Mark on Every Sack

Save Without Skimping
That's what it means to use Aristos Flour—you use less to get the same result. Milled from Red Turkey Wheat, Aristos Flour has superior strength—the flavor and the nutriment of the wheat are retained in greater proportion than in most other flours. You save because you need not use so much, not because you must skimp for economy's sake.

Try This for Cookies
3 eggs.
1 1/2 cups granulated sugar.
1 cup butter and lard mixed.
4 tablespoons water.
2 rounded teaspoons baking powder.
Enough Aristos Flour to roll.
1 teaspoon any flavoring.
